The Baltic coast and National Parks of Estonia, Latvia and Lithuania explored on very scenic routes, including the three capital cities – Tallinn, Riga and Vilnius – with their old towns designated by UNESCO as World Heritage Sites. Featuring the National Park Lahemaa, which is one of the last unspoiled regions of the Baltic coast, Otepää Lakeland – the so-called “Estonian Switzerland” and the beautiful Gauja River valleys. The tour includes cycling on the Curonian Spit which was previously closed to visitors; nowadays it is often called the Lithuanian Sahara. Travel from Tallinn, Estonia, in the north, through Latvia and on to Lithuania in the south, enjoy a great variety of towns, villages and landscapes, and get an excellent feel for the different characters of these distinctive countries.

The tour begins in Tallinn where you get your tour maps with detailed program and route description. Next day your rental bicycles will be ready for your first ride in Lahemaa. This trip is a half-guided tour ie during the whole trip, except Jurmala and the Curonian Spit, our driver with a minibus and bike trailer is with you and you can take part in city tours (Tallinn, Riga, Vilnius) lead by professional guides. Our driver will transport your luggage every day to the next hotel. If you have a breakdown, then our driver will take care of everything for you. If you have any problems – contact the driver or our office. To make certain that you are well looked after, we only employ people, who have good local knowledge and speak either English, or German.

Cycling Conditions: Daily biking routes mainly on low traffic roads and cycle paths range from 21 to 60 km (13-38 miles) each day with a possibility to cycle more kilometres on some days like Day 6 (Jurmala) and Day 8 (Curonian Spit). The terrain is varied and rolling with some gradual hills on some riding days (some steep ups and downs in the Gauja River valley & Otepää region) and dead flat most of the tour.
